LATE BREAKING NEWS...

LAST MINUTE ADDITION TO THE ORANGE TEAM!

Terry Carkner

Defenseman | #29

Tough-as-nails defenseman Terry Carkner, was born on March 7, 1966, in Smith Falls, Ontario. He was originally drafted by the New York Rangers in the first round (14th overall) of the 1984 NHL Draft as a physical two-way defenseman for the Peterborough Petes in the Ontario Hockey League. Acquired by the Flyers in a July 1988 trade with the Quebec Nordiques for Greg Smyth and a 1989 third-round pick (John Tanner), Carkner spent five full seasons with the Flyers.

Carkner provided size, toughness and some puck-moving ability. During his time in Philly, Carkner had two seasons with 30-plus points, including an 11-goal, 43-point campaign in 1988-89; his first year with the team. The Flyers came within two wins of reaching the Stanley Cup Final in the 1989 playoffs.

Carkner spent two seasons with the Red Wings, followed by four with the Florida Panthers. The player finished his NHL career with 858 regular season games played, 42 goals, 252 points, and 1,588 penalty minutes. For the Flyers portion of his career, he dressed in 376 regular season games (plus 19 playoff games in 1989), notching 29 goals, 132 points and 867 penalty minutes.

Carkner is a regular participant in games with the Flyers Alumni Team. He has coached the Villanova University hockey team as well as a youth hockey team near his home in Chester County, PA. (Source: nhl.com)
